

Advance-Nilfisk Parts

Advance-Nilfisk Part - Imagine how long and tiresome it will be to clean-up right after a party, without help from equipment. Not too long ago, the dust from upholstery and carpets had to be beat out of them by hand; brushes, cleaning cloths and brooms were the top cleaning products back then.

The man who established Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his business during the year 1906, he started to produce motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's dream from the start was to own an international company selling merchandise globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that could be operated by a single individual as it just weighed 17.5 kilos! This creation came in a time where other cleaning machines were huge and needed at least 4 operators, therefore, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an existing crisis; stuff get dirty and must be cleaned frequently, without a lot of effort.

Little by little, the company Nilfisk-Advance grew all through the years. In the early 1980's the business developed more rapidly when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the trade, aspiring to be an active international player in manufacturing professional cleaning equipment. Nilfisk-Advance is now located in all parts of the world due to steadily obtaining lots of smaller companies to be able to expand their product portfolio and presence in new markets. They are really proud to present a range of cleaning solutions to meet each requirement.
