

Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They like offering items that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills together with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

When needed, the staff members within TREK and its numerous dealer members in both technical support and parts would be available. Amongst their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery running and ready day by day is top priority. The company's top of the line technology delivers reliable equipment that ultimately reduces your cleaning expense. The price, the service and the product all work together to make them an industry leader.
