

American Lincoln Parts

American Lincoln Part - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known within the business as strong and durable machinery that suits the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company which is currently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to provide machinery, components and warranty service for these types of scrubbers which carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where efficiency and results make a difference. Lately, this floor scrubber model has been requested by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
